REQUEST FOR CORRECTED FILING RECEIPT

Sir:

Applicant hereby respectfully requests the issuance of a corrected filing receipt. A copy of the official filing receipt received from the Patent Office is attached. An error appears in the official receipt in that new title of the application was not copied from the Preliminary Amendment which was filed on August 28, 1998, along with the Continuation Patent Application. The title of the application should read as follows: "FLASH EEPROM SYSTEM WITH DEFECTIVE BLOCK SUBSTITUTION." A copy of the first page of the Preliminary Amendment documenting this change is enclosed for your reference.

The correction is not due to any error by applicant and no fee is due

Dated: November 19, 1998
